Zhaoqing Qiankun Leather Products Factory

Established in August, 2008, Zhaoqing Qiankun leather products factory is located in Zhaoqing city which is a famous tourist city in Guangdong Province, and is very convenient to reach.

The company is mainly engaged in the design, production and sales of all kinds of leather products, like purse, wallet, leather belt, camera bag, key wallet, mobile phone case, tablet PC case, etc.

The company has first-class leather production equipments and perfect quality management system, each process of the product is subject to stringent checks to ensure the quality of the product. Final inspections are conducted in the warehouse, and again before the shipment to customers.

We can produce a new style of leather product according to the specific requirements of the customers. Please contact us to get the information that you want.
